

For Review by the Zoning Board of Adjustment – March 25, 2013
El Paso City Code, Title 2, Chapter 2.16, Zoning Board of Adjustment
Section 2.16.050 J. 4.

J. Carport over a driveway. Permit the encroachment into the required front yard setback for a lot in a residential (R) district beyond other allowed modifications for a carport covering a driveway; provided, however, that:

1. The residence has been in existence with a valid certificate of occupancy for one continuous year;
2. The zoning board of adjustment has received the written approval of the structural design from the building official;
3. The carport shall be constructed of the same material, architectural design, and color scheme as the residential structure, shall be open on three sides, shall be attached to the main structure and shall rise no higher than the highest point of the roof of the dwelling;
4. The area of the carport shall not exceed one-fifth of the first-floor area under roof of the dwelling, with the first-floor area of the dwelling defined as the sum of the gross horizontal area, exclusive of garages, atriums, stairwells, and open porches, measured from the exterior faces of the exterior walls; and, shall be measured as the area covered by the carport roof, to include overhangs;
5. Elevation drawings of the proposed structure shall be submitted;
6. For a duplex, the total of all extensions for either unit of the duplex shall not exceed two-thirds of the average width of that unit;
7. There is no other reasonable alternative to provide a carport in the front yard of the subject property without exceeding the encroachments allowed in Title 20 of this Code; and
8. Unless otherwise provided in this chapter, all remaining areas of the required front yard shall be permanent open space.
